

Soon you will be starting Preschool. It is an exciting time and maybe a little scary - even for the teacher! I put together this "Preschool First Day Kit" to help you get ready for the big day. Take a few minutes to have mom or dad tell you about the special meaning of the items in the bag and tell them how you feel about starting Preschool. I am looking forward to getting to know you. We have lots to learn and do together. See you on the first day!
